

ASTLRICS2-3

Develop customer relationships

Overview

This unit comes from the Customer Service National Occupational Standards and is used in the level 2 Customer Service N/SVQ. This unit is relevant to all Land Registration staff.

This unit is about developing customer relationships with both internal and external customers.

The unit deals with building customer confidence, meeting ongoing customer needs and expectations and developing the relationship between your customer and your organisation (or section). Communication with your customer may be written, verbal or in some other form.

ASTLRICS2-3

Develop customer relationships

Performance criteria

You must be able to:

Build customer confidence in the level of service provision

- P1 deal with your customers promptly
- P2 communicate with your customers in a way that provides confidence and reassurance in their dealings with your organisation
- P3 manage the time taken to deal with your customers in accordance with organisational guidelines
- P4 reassure your customers that you are doing everything possible to keep the commitments made by your organisation

Meeting the ongoing needs and expectations of your customers

- P5 operate within the limits of your own authority in attempting to meet your customers' and your organisation's needs
- P6 recognise when there may be a conflict between the needs of your customers and your organisation
- P7 take all reasonable actions to minimise the conflict between your customers' needs and the products and services offered by your organisation
- P8 work effectively with others to resolve difficulties in meeting the needs of your customers and your organisation

Develop the relationship between your customers and your organisation

- P9 give additional help and information to your customers in response to their questions and comments about the products or services your organisation provides
- P10 discuss expectations with your customers and explain how these compare with the products and services you and your organisation provide
- P11 advise others of feedback received from your customers
- P12 identify new ways of helping your customers based on the feedback they have given you
