

ASTPSSF3

Give customers a positive impression of yourself and your organisation

Overview

This unit sits within the Customer Service Theme of Impression and Image. This Theme covers the Customer Service behaviours and processes that have the most impact on the way your customer sees you and your organisation.

Excellent customer service is provided by people who are good with people. Your behaviour affects the impression that customers form of the service they are receiving.

This Unit is all about communicating with customers and giving a positive impression of yourself whenever you deal with a customer. By doing this you will also be giving a positive impression of your organisation and the customer service it provides.

All of us enjoy the experience of good customer service if we feel that the person serving us really wants to create the right impression, respond to us and give us good information. Every detail of your behaviour when dealing with a customer counts.
