

CCSDL19

Communicate the results of evaluating the impact of your dance leading

Overview

This standard is about communicating what you have learnt from the evaluation of your dance leading. You will be required to interpret the data collected and create a report of your findings.

CCSDL19

Communicate the results of evaluating the impact of your dance leading

Performance criteria

- You must be able to:*
- P1 create a report appropriate to your or stakeholder requirements of the data you have collected
 - P2 act responsibly with attention to data protection especially when using social networks, leaflets and reports in public domain about your dance programmes and participants
 - P3 interpret evaluative data collected and extract actions that you can take to improve your professional practice
 - P4 interpret evaluative data collected and match with your observations to offer signposting to individuals in your groups for their development

CCSDL19

Communicate the results of evaluating the impact of your dance leading

Knowledge and understanding

You need to know and understand:

- K1 methods to share the information you have collected with awareness of data protection
- K2 the importance of identifying who the evaluation is for; yourself, the group or other stakeholders
- K3 how to produce a report appropriate to the people you are creating it for and in the forums that they would respond to it
- K4 the importance of your networks to provide signposting opportunities for progression of your dance participants beyond your dance sessions
- K5 the importance of having an awareness of opportunities for your own professional development
