

CCSDL20

Develop awareness in your participants and group

Overview

This standard is about ensuring that you are self aware and develop an awareness for individuals in your groups, to support development of quality in the work produced. You are expected to identify and record the learning that has taken place both for individuals in the group and for yourself.

CCSDL20

Develop awareness in your participants and group

Performance criteria

- You must be able to:*
- P1 Identify your own parameters and skills, and develop awareness in individuals in your dance sessions of their potential
 - P2 Develop and maintain a positive culture of feedback from your group to inform and develop your work
 - P3 Communicate with confidence to your group at any point in your session to ask how they are doing and be prepared to change activity or energy in response to their feedback
 - P4 Recognise and record the learning that happens because of actions you take in your sessions both for individuals in your group and you

CCSDL20

Develop awareness in your participants and group

Knowledge and understanding

You need to know and understand:

- K1 How to engage and support dance participants in learning and development process
- K2 How to develop an environment with your group that is reflexive and provides feedback
