
Overview

This unit is about encouraging and supporting the identification and practical implementation of ideas in your area of responsibility. The initial ideas will primarily come from people who work in your area of responsibility, including yourself, and will focus on:

- new products and/or services
- improvements to existing products and/or services
- improvements to existing practices, procedures, systems, ways of working, etc. within the team or those of the wider organisation or customers or suppliers.

The 'area of responsibility' may be, for example, a branch or department or functional area or an operating site within an organisation.

The unit is recommended for first line managers and middle managers.

This unit is linked to units:

B6 Provide leadership in your area of responsibility

C1 Encourage innovation in your team

C3 Encourage innovation in your organisation

in the overall suite of National Occupational Standards for Management and Leadership.

Performance criteria

- You must be able to:*
- P1 Identify and, periodically, review the approach to and level of innovation within your area of responsibility
 - P2 Motivate all the people working in your area to identify ideas for new products and/or services and improvements and other potential sources of ideas and encourage the sharing of this information
 - P3 Respond enthusiastically to ideas from individuals or teams and provide constructive feedback
 - P4 Establish and operate a fair and open method for considering and selecting initial ideas for further development
 - P5 Discuss and agree ways in which selected ideas can be further developed and tested by individuals or teams
 - P6 Provide ongoing support, encouragement and resources to individuals and teams engaged in the further development and testing of ideas and help to remove any identified obstacles
 - P7 Identify, in discussion with the relevant individuals and teams, those ideas which could be practically implemented, providing help in drawing up and submitting business cases and plans in support of ideas
 - P8 Approve the practical implementation of ideas, based on the identified benefits, risks and required resources, when you have the authority to do so and monitor and review their progress
 - P9 Champion business cases and plans for ideas submitted by individuals and teams from your area to other people in the organisation and communicate progress and decisions
 - P10 Recruit and select creative people and encourage and develop the creativity of other people in your area of responsibility
 - P11 Encourage individuals and teams in your area to take acceptable risks in pursuing innovation and to make and learn from mistakes
 - P12 Ensure that the originators and developers of any ideas which are successfully implemented receive recognition for their achievement
