
Overview

This standard is about managing flexible working arrangements.

There is a wide range of flexible working arrangements available, covering both *when* people work (full time, part time, flexi-time, time off in lieu, job sharing, annual hours etc) and *where* people work (home working, tele-working, hot-desking etc).

This standard is relevant to managers and leaders who have the authority to take decisions regarding the flexible working of their staff.

This standard links closely to *CFAM&LDA1 Plan the workforce* and *CFAM&LDB6 Support remote/virtual teams*.

**Performance
