

## Manage your own resources and professional development

---

### Overview

This standard covers the competences you need to manage your own resources and professional development in accordance with approved procedures and practices.

You will be required to demonstrate that you can discuss and agree personal work objectives with those you report to and how you will measure progress, identifying the learning styles which work best for you and ensure that you take these into account in identifying and undertaking development activities in accordance with approved procedures and practices

This activity is likely to be undertaken by someone whose work role involves Weapons, Ordnance, Munitions or Explosives work activities. This includes people working as managers in research, design and development, safety management, test and evaluation, manufacturing, maintenance, procurement, storage and disposal and supervisors in research, design and development, test and evaluation, manufacturing, maintenance, storage, transport and disposal.

## Manage your own resources and professional development

---

### Performance criteria

- You must be able to:*
- P1 evaluate at appropriate intervals the current and future requirements of your work role taking account of the vision and objectives of your organisation
  - P2 consider your values and your career and personal goals and identify information which is relevant to your work role and professional development
  - P3 discuss and agree personal work objectives with those you report to and how you will measure progress
  - P4 identify the learning styles which work best for you and ensure that you take these into account in identifying and undertaking development activities
  - P5 identify any gaps between the current and future requirements of your work role and your current knowledge, understanding and skills
  - P6 discuss and agree, with those you report to, a development plan to address any identified gaps in your current knowledge, understanding and skills and support your own career and personal goals
  - P7 undertake the activities identified in your development plan and evaluate their contribution to your performance
  - P8 review and update your personal work objectives and development plan in the light of performance, any development activities undertaken and any wider changes
  - P9 get regular and useful feedback on your performance from those who are in a good position to judge it and provide objective and valid feedback
  - P10 ensure that your performance consistently meets or goes beyond agreed requirements

## Manage your own resources and professional development
