

COSAO30

Maintain relationships with people who are affected  
by your work in asbestos surveying and analysis

---

**Overview**

This unit is about maintaining relationships with people who are affected by your work in asbestos surveying and analysis.

## COSAO30

### Maintain relationships with people who are affected by your work in asbestos surveying and analysis

---

#### Performance criteria

- You must be able to:*
- P1 maintain and encourage working relationships with people which promote goodwill and trust
  - P2 inform people about work activities in an appropriate level of detail and with an appropriate degree of urgency
  - P3 offer advice and help to people about work activities with sensitivity and encourage questions, requests for clarification and comments
  - P4 present proposals for action clearly to people at an appropriate time and with the right level of detail for the circumstances, expenditure and risk involved
  - P5 clarify with people objections to proposals and suggest alternative proposals
  - P6 resolve disputes and differences of opinion in ways which minimise offence, and promote goodwill, trust and respect
