
Overview

This standard is about being able to assist with cleaning and preparing horse drawn vehicles or agricultural implements for use. It includes being able to wash and polish selected parts of the vehicle as instructed, and to assist with moving horse drawn vehicles and implements for cleaning, use and storage. It includes being able to identify basic parts of the vehicle or implement, and to store vehicles and implements.

The work described in this standard would be carried out under the direction of a supervisor.

You will need to be fully aware of the importance of health and safety in connection with this work.

[Assist with cleaning and preparing horse drawn vehicles or agricultural implements for use]
