

## Make presentations to sell electronic security systems

---

### Overview

This NOS sets out the skills, knowledge and understanding for you to prepare and give presentations to sell electronic security systems.

This NOS covers the following activities:

1. Prepare to make sales presentation
2. Give sales presentations

## Performance criteria

*You must be able to:*

### **Prepare to make sales presentations**

P1 confirm and clarify your customers' particular needs and interests in products and services, to help prepare effective presentations

P2 use presentation variables effectively when preparing presentations

P3 make sure that the objectives of your presentations are clear and address the needs of your customers

P4 prepare presentations that meet the requirements and expectations of your customers, and conform to your organisation's style

P5 use structures, methods and materials that are appropriate to your presentations, and maximise the impact of the information that you provide

P6 confirm the availability of resources that you need for presentations, including backups and alternatives

P7 make sure that your presentations contain information, suggestions and ideas to help customers make purchase decisions

P8 make effective preparations to deal with potential variations and divergences from planned presentations

### **Give sales presentations**

P9 present information clearly and in a style and manner that are appropriate to your customers and inspires their confidence

P10 make sure the length, structure and content of your presentations conform to your plans

P11 use appropriate methods and resources that enhance your presentations

P12 encourage and respond to customers' questions and comments in a manner that promotes purchase decisions

P13 provide or arrange for further information to be supplied to customers when this is appropriate

P14 take opportunities where possible to gain commitments to purchase, or progress sales

P15 evaluate your presentations against your objectives and plan to improve your future presentations
