
Overview

This standard is about providing a driving commentary whilst accompanying a learner Tram Driver. You will be able to support a learner Tram Driver by providing a driving commentary which is relevant to the route and delivering it at a pace and style to suit a learner Tram Driver needs. You will be able to adapt your commentary to suit individual learner Tram Driver needs and those of the organisation and be able to encourage questions when it is safe to do so. It is important that the commentary you provide meets legal requirements and organisational procedures. You will be able to provide a driving commentary which is risk-based and be able to take action if there is a need to interrupt or stop your commentary.

This standard is for those who work in a Tram Driver training role at supervisor level in the Tram and Tramway environment.
